Subject: BOSC EC meeting regarding ORD research programs
Attachments: BOSC EC F2f January Agenda Final 12-16-16.docx

HHRA all

As John mentioned at Roundtable yesterday, the BOSC EC is meeting next week to review some reports. Based on your project areas, you may have interest in the climate and EJ roadmap discussions, and I would note also the discussion of metrics scheduled for Wednesday afternoon. That will give you a good idea of how impact is hoped to be measured. Attached is the latest draft of the agenda that we have with access information included.

Happy new year!

Annie

Annie M. Jarabek | Deputy Director, Human Health Risk Assessment (HHRA) research program
Senior Toxicologist | National Center for Environmental Assessment (NCEA)
Office of Research and Development | U.S. EPA
B-243-01 Research Triangle Park, NC 27711
Mobile (*best way to reach me*): Personal Matters / Ex. 6 | Office: 919.541.4847
